

Crossing Your Jordan

Self-Examination

Scripture: Joshua 3:1-6

Then Joshua rose early in the morning and they set out from Shittim. And they came to the Jordan, he and all the people of Israel, and lodged there before they passed over.

²At the end of three days the officers went through the camp ³and commanded the people, "As soon as you see the ark of the covenant of the LORD your God being carried by the Levitical priests, then you shall set out from your place and follow it. ⁴Yet there shall be a distance between you and it, about 2,000 cubits in length. Do not come near it, in order that you may know the way you shall go, for you have not passed this way before." ⁵Then Joshua said to the people, "Consecrate yourselves, for tomorrow the LORD will do wonders among you." ⁶And Joshua said to the priests, "Take up the ark of the covenant and pass on before the people." So they took up the ark of the covenant and went before the people.

We sometimes miss out on God's plans because we are too COMFORTABLE in OURS.
